1. The following Russians are attached to the Karl Liebkecht-Werk:

a. Leonchenke (fnu), director-general. This is the same Leonchenke who formerly was attached to Bleichert und Co. (SAG Transmasch), Leipzig. He has a good understanding of the German language although his speaking ability is poor. He is friendly to all the German employees. Strong political bias.

b. Suchanov (fnu), deputy director-general. [REDACTED] 25X6

c. Drobov (fnu), chief engineer. [REDACTED] 25X6

d. Isayev (fnu), chief engineer.

e. Antonenko (fnu), chief construction engineer.

f. Katishenko (fnu), chief bookkeeper. Decent and capable. Speaks German well and is courteous in his dealings with the German staff. About 50 or 52 years old.

2. There are about six Russian acceptance officials at Karl Liebkecht-Werk. Their names, however, could not be ascertained. They are frequently rotated.
